

~~cavu tables~~

cavu tables

Designed by Mario Ruiz, Cavu™ is a series of beautifully crafted work, cafe and greeting tables. Casual and traditional conference heights create statements in collaboration environments, while Parsons and perimeter tables inspire creativity and collaboration in greeting or in-between spaces.

Available in multiple heights and sizes, Cavu truly is an expansive and multi-functioning table collection. The tables are available in a variety of top surface materials, including laminate, veneer, solid surface and back-painted glass.

Cavu tables are available with optional bag hooks for quick storage and power to keep users connected and charged.
