# Ample by Luum

A thick, chunky fill yarn playing against the darker warp yarn creates the strong visual and tactile texture of Ample. This texture, in conjunction with the soft hand, make this a great choice where comfort is key. An affordable price point, easy upholsterability and a newly expanded colorline, including a wide range of neutrals and bold colors, make Ample a great selection for collaborative spaces, as well as any place warmth and well-being are paramount.

Name

Ample

Style No.
