teknion

The Pedestals line is a series of storage components that go beyond conventional norms. Ranging from fixed to mobile, and from basic to performance, they deliver storage options as varied and broad as the needs of individuals across an organization.

The pedestals are crafted using modern engineering skills and technologies, and from high-quality durable materials to deliver a harmonious blend of workplace form and function. They are available in a variety of color and material options to provide individuals with convenient, flexible storage with an enhanced aesthetic.

basic mobile & fixed pedestals

Basic mobile pedestals with casters can be placed anywhere in or around the workstation. Basic fixed or stationary pedestals are designed for under-worksurface storage applications.

performance mobile & fixed pedestals

Elegant performance mobile and fixed pedestals features include high-security numeric locks, Interpret handle styles on laminate pedestals, and Interpret or Leverage handles on metal versions. An optional upholstered seat cushion is available on mobile pedestals.

premium mobile & fixed pedestals

Premium pedestals offer the most extensive selection of finish choices, in natural veneer/wood and laminate. Door fronts specified in veneer feature backs finished in source laminate or a full veneer pedestal. Premium pedestals include high-security numeric locks, District handles and an optional upholstered seat cushion.

01 lock mechanism

Two types of lock mechanisms are available – normal key locks and numeric locks. The numeric lock mechanism provides high-level security via a keypad with individual number codes.

02 soft close

The soft-close function provides a smooth, quiet close of the pedestal's drawers.

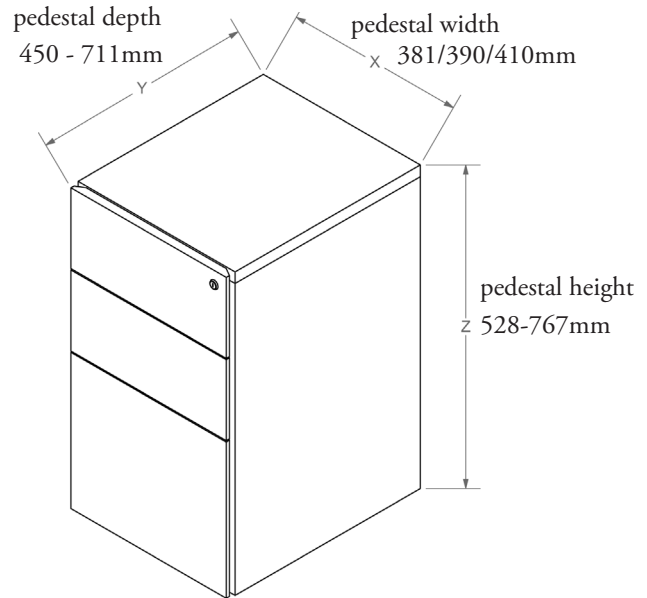

03 pencil tray

The pencil tray organizes and provides quick access to numerous everyday workplace accessories.

04 file bar

The file bar provides quick and easy access to hanging file folders.
