asana

A romantic, expressive guest chair that combines the attractive curves of 1930s French art deco with the minimalist sensibilities of modernism. The sinuous curve of the wood arm flows uninterrupted into the front leg, creating a single dramatic gesture. Asana conveys individuality and flair, yet is restrained enough in its detailing to be compatible with a wide variety of environments. The scale and proportion of Asana make it both comfortable and compatible with today's smaller office spaces.
