

metropolitan 14

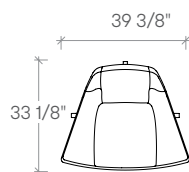

Metropolitan 14 is the reinterpretation of the classic Metropolitan chair. The volume of the chair has become thinner and the surfaces have enhanced their flowing design with a fully integrated seat cushion. The chair design is an invitation to sit down and enjoy a moment's rest while still interacting with the environment from a comfortable position. To complete scenarios, Metropolitan 14 is now available in a settee and a complementary ottoman.

Designer: Jeffrey Bennett

dimensions

- Designed and tested for users up to 110kg/242 lbs
- Meets standard European NEN-16139 requirements
