GRADE	LA	
THICKNESS	0.9 TO 1.0 mm	
ABRASION	ASTM D 3884-92	500 gram load: 800 cycles
FLAME RESISTANCE	UFAC 1	California 117

Teknion leather is top grain, made from the finest quality North European hides. The leather is slightly buffed and designed to show all natural markings and grain patterns associated with the raw material. Dyes fully penetrate the skin and a light pigment coating provides lightfastness and scuff resistance.
