

dual

features

Dual lounge is a dynamic seating collection designed to celebrate expression and elevate the conversation. The duality of materials offers a seat ripe for expression. Upholster in a single color, or two, or split the difference with a partially opaque knit base available in 11 finishes. A posture fit for every occasion, a low back chair for a relaxed or casual collaboration. A high back chair for when you need time to unwind and recharge. The lounge design introduces a residential aesthetic to bring a welcoming sensibility to a range of spaces – so that work doesn't feel like work.
