Designed for the contemporary office by Michael Vanderbyl, Vignette™ is a classic seating and tables collection with a strong architectural presence. Inspired by classic modern forms, generous proportions and sculptural shapes provide a level of comfort that lends itself to leisurely casual seating.

Designed to present an elegant appearance from all angles, Vignette seating and tables combine and configure to suit a broad range of applications. Both sophisticated and relaxed, Vignette is at home in formal and informal meeting spaces, private offices and reception, lobby and lounge areas. Vignette also meets the needs of private enclaves – enclosed spaces set aside for private conversations among two or three people.
