

lite wall

features

The Lite Wall is a freestanding screen that provides visual space division. It has a magnetic connection between screens which helps establish borders for workstations and private spaces. The Lite Wall is easily reconfigurable without tools and visible connections.

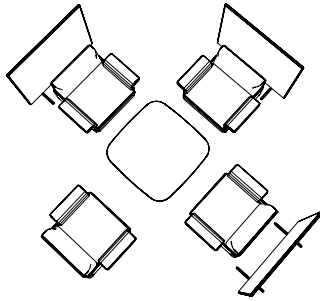

dimensions

finishes:
Foot Finish available in:
Chrome

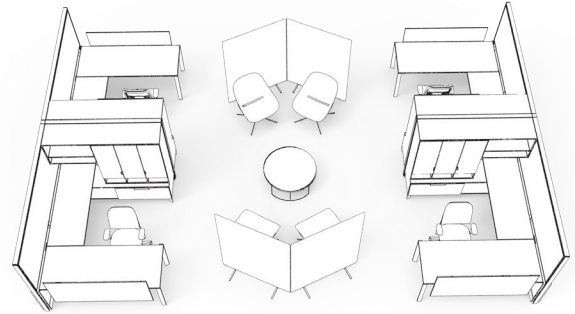

lite wall

planning

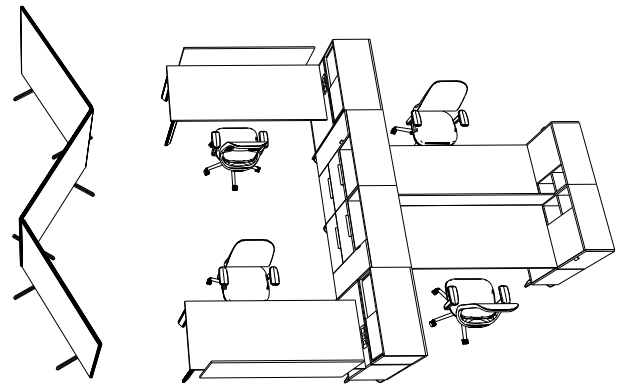

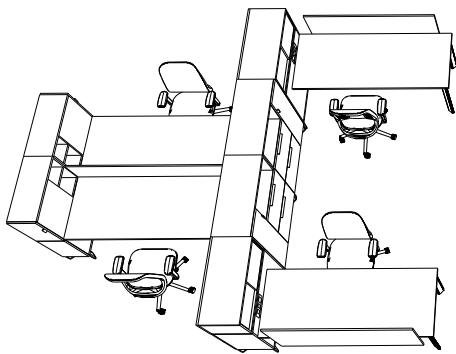

common area privacy

Shown with Envita seating and table,
48" high Lite Wall screens

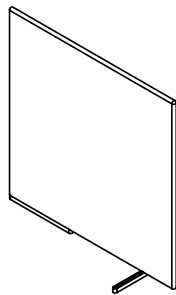

meeting area privacy within workstations

District workstations with Beso Chairs,
66" high Lite Wall screens

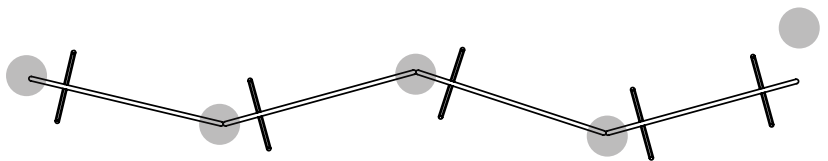

space division between workstations

Shown with District open workstation,
51" high Lite Wall screens

The feet on the Lite Wall pivot under the screen for ease of shipping.

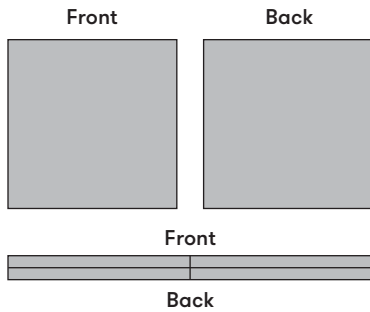

The Lite Wall has an optional magnet on each end to allow screens to attach to one another.

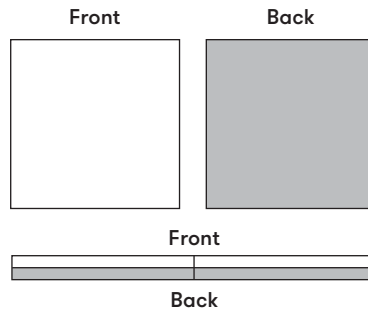

lite wall
