foundations

Foundations overview

Drawing upon a minimalist aesthetic, the Foundations™ collection pares down furniture structure and surface to its essence to reveal a striking architecture of simple horizontal and vertical planes.

FOUNDATIONS CASEGOODS

Foundations casegoods includes versatile modular desks, credenzas and workwalls punctuated by niches set into the vertical plane. Evoking modern architectural facades, the design allows personal items or work tools to be stored in the niches, as well as desks and storage. Wall units can be fitted with indirect LED lighting to provide ambient illumination.

FOUNDATIONS CONFERENCING

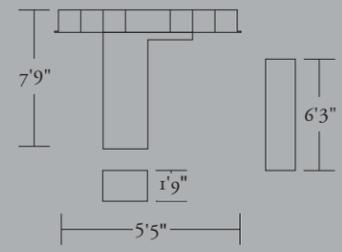

Foundations conferencing addresses the multiple functions of meeting rooms with modular tables that are ideal for active spaces defined by collaboration and subject to the dynamics of change. Modular tabletops simplify installation and allow for aesthetic range with the use of contrasting finishes.

Reshaping the private office

Built from the wall, out, Foundations fully supports work and storage needs with pure forms and an efficient use of real estate. Workwalls, mobile pedestals and elevated credenzas sustain the light, airy look, while a horizontal grain pattern enhances and enriches surfaces.

- Foundations casegoods includes workwalls, single- and double-pedestal desks, executive desk extensions, bridges and transaction counters
- Storage components include credenzas, bench storage, wall-mounted and freestanding storage
- Workwalls support configurations (as shown) or act as display backdrops
- Workwalls are punctuated with niches for display or storage
- Niches can be fitted with tackboards and remote-controlled LED lighting

FINISH: *Flintwood – Dark Walnut*
 LEGS/PULLS: *Silver Glimmer*
 SEATING: *Contessa; Upholstery – Tess Mesh, Light Grey; Frame – Tess Silver*

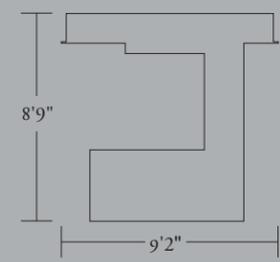

^ Versatile mobile pedestals provide an extra seat to facilitate collaboration.
 v Executive desk extensions are supported by an open frame leg or elevated pedestals.

Adapting to needs

Foundations accommodates varied applications. The worksurface height of 28 inches is ideal for laptop or keyboard use. Modular wall units, pedestals and credenzas allow for scalable storage solutions. Components accommodate L- and U-shaped configurations, as well as desk and workwall/credenza combinations.

Foundations makes it easy to specify the preferred level of image and price, and meets diverse individual and organizational needs.

- Workwalls range from 26 to 84 inches high and 95 to 155 inches wide
- Workwalls feature open-end access to bookcases and wardrobes
- Power, data and cable management are added to workwalls as desired and can also be field-installed to meet exact requirements

FINISH: *Flintwood – Dark Olive*

TACKBOARD: *Panel fabric – Finland, White*

LEGS/PULLS: *Silver Glimmer*

SEATING: *Contessa; Upholstery – Tess Mesh, Light Grey*
Frame – Tess Silver

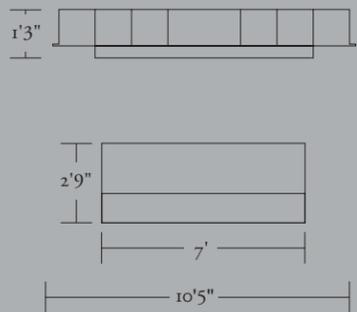

^ Pedestals are elevated with crisply styled frame legs and handed by pulls and side-lock.

v Workwalls achieve a lighter look with an integrated storage credenza.

Adding planning possibilities

Foundations readily adapts to open-floor plans with 56-inch-high workwalls and transaction counters designed for reception or executive assistant settings.

- Display workwalls offer an elegant millwork appearance in the reception area, lobby, conference room or executive office
- Niche options are sized to accept flat screen monitors that can display striking corporate statements at the reception desk or in the executive office

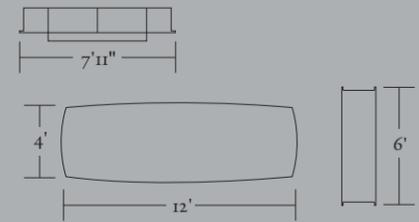

FINISH: *Flintwood – Dark Walnut*
 LEGS/PULLS: *Silver Glimmer*
 SEATING: *Marini; Upholstery – Leather, Chocolate*
Frame – Polished Aluminum

^ Desk pedestals install flush with the desktop ends, or offset 10 inches on each side for a layered effect.
 v Niches punctuate the workwall plane, offering a surface, storage and display.

Integrating the conference setting

Built from the floor, up, Foundations offers a full portfolio of furniture for the conference room that creates a lighter, more refined look for the essential mass of tables, credenzas and storage.

- Foundations conferencing options include tables in a myriad of sizes and shapes, storage and display credenzas, lecterns, serving carts, technology caddies and a variety of power/data elements
- Workwalls integrate visually and functionally with conferencing tables
- Workwall niches accommodate flat panel monitors for displays that enhance the corporate brand or facilitate meeting success
- Two- or three-tone finish options allow for a distinctive aesthetic

FINISH:

Designing for communication

Foundations conferencing provides multiple configurations of flat panel display credenzas, storage credenzas, lecterns and technology caddies. Additionally, the collection provides options for bringing power/data to conference tables.

- Mobile or stationary lecterns are equipped with power/data connection and optional microphone and LED snake light
- Power/data is delivered to the conference table via a motorized or manual box, or via touch-access doors with numerous options for power and connectivity
- Conference table design allows cables to be run through a 3 3/4-inch cut-out in the base plate; wood base end trim is easily removed for access to the vertical leg channel

Meetings
big and small

From the boardroom to more casual collaborative areas, Foundations conferencing is scalable to the needs of the participants and the nature of the space.

- Display credenzas offer variations of fully closed storage, box drawer combinations and symmetrical side panels (shown) or asymmetrical design with floating glass shelves (shown on previous page)
- Square and round conference tables are appropriate for intimate gatherings and private office settings

FINISH:
Flintwood – Blonde Maple

^
Base with side inset lightens the look of the conference table.

∨
Serving caddy features soft-glide casters and felt-lined cutlery drawer.

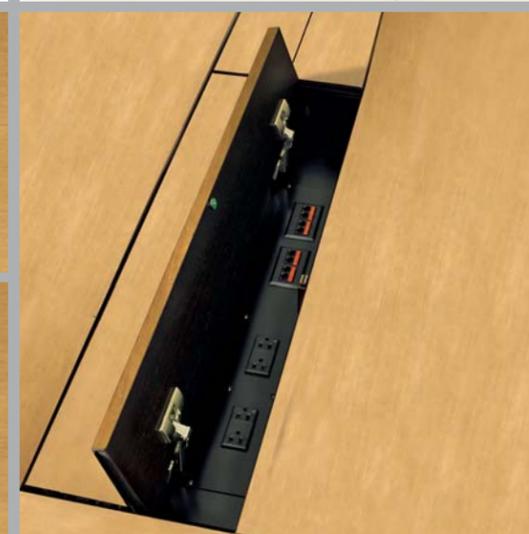

Features

>>
 Foundations offers an array of products to complete and complement conference, private office, open and public settings.

MEETING TABLES
 Square and round meeting tables are available with mono base.
 >>

LATERAL FILES
 Freestanding lateral files are handed with pulls and side locks (left-handed shown).
 >>

CREDENZAS
 Bench credenzas are available with cushion top for casual seating. No pulls and side locks maintain a clean aesthetic.
 >>

^
 UTILITY CADDY
 Mobile utility caddy is available with one adjustable shelf.

>>
 LECTERNS
 Lecterns include a laptop tray that pulls out to reveal concealed power duplex, VGA, RJ11 and RJ45 couplers. Casters, LED snake light and microphone are optional.

^
 MOTORIZED CONTROLS
 Motorized vault provides drop-in power/data utilities with touch control to open and close. Available in three options of size and equipment. Anodized aluminum finish.

^
 POWER/DATA OPTIONS
 Surface access drop-in power/data utilities are available in eight options of size and equipment. Anodized aluminum or black finish.

^
 TOUCH-ACCESS DOORS
 Wood touch-access doors give access to the expansive Foundations trough that can be customized with power, RJ11, RJ45, HD VGA, mini-Stereo, 3-pin XLR, USB, RCA red/green/yellow and DVI couplers.

TEKNION EMBRACES CHANGE AND ITS INNATE POSSIBILITIES. OUR CULTURE IS ONE OF INNOVATION. IN THAT SPIRIT, WE HAVE STEPPED FORWARD TO INTEGRATE SUSTAINABLE PRINCIPLES AND PRACTICES INTO THE DESIGN, MANUFACTURING AND MARKETING OF OUR PRODUCTS.

TEKNION PRODUCTS PERFORM INDEPENDENTLY AND IN CONCERT, COMBINING IN VIRTUALLY UNLIMITED CONFIGURATIONS. OUR PHILOSOPHY EMBRACES DESIGN AS ONE OF THE BEST TOOLS WE HAVE FOR REALIZING THE BENEFITS OF BUSINESS, WHILE ALSO STRIVING TO REACH SUSTAINABLE GOALS.

WE HAVE LEARNED FROM DESIGN THAT CHANGING A SINGLE DETAIL ALTERS THE WHOLE. EVERY INCH MAKES A DIFFERENCE. EVERY LEAP IS THE SUM OF MANY SMALL STEPS.

TEKNION CREATES FURNITURE THAT CONNECTS PEOPLE, TECHNOLOGY AND SPACES; INTEGRATED DESIGN WITH NEW POSSIBILITIES FOR A HEALTHY, PRODUCTIVE WORLD TOMORROW AND THE DAY AFTER.
