

kuskoa by Alki

features

Kuskoa is rethinking the role of form and materiality in the new workplace. From large cafes to small collaboration zones, the chair, counter and bar-height stools offer versatile elegance to pair with a range of table types. The stools provide a mid-back support for longer gatherings and a metal foot rest to encourage good posture. A range of material options and finishes provides a variety of ways to express your space. The veneer shell nestles within a solid oak base, which can be finished five ways. Material accents can complement the warmth of the wood with optional inner and outer seat upholstery.

lasai by Alki

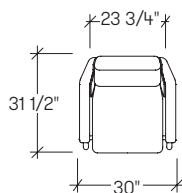

features

Lasai, a lounge with a calming sensibility and a crafted touch. The low profile, Hans Wegner-inspired recline is ideal for getting comfortable and catching up with colleagues. From the Basque for 'calm', the lounge's visual and tactile cues infuse a sense of balance in today's ephemeral work environment. The single and double seat configurations constructed with a wraparound solid oak structure for a welcoming lifestyle feel for your workplace. The oak frame can be finished five ways to add warmth, while the cushions and outer shell allow for a mix of upholstery finishes that can accentuate a space with a quick blast of color or subdue it with a muted palette.
