

borough

features

Hospitable by nature, elegant by design, the modular lounge collection introduces a casual sophistication to any social setting. Borough lounge raises the bar of modular seating by combining home seating elements with the modular flexibility necessary for today's workplace. The application options of Borough are endless. The broad array of individual modular pieces expands the possibility of adaptation when planning spaces not only today but well into the future. As the needs of a workplace change, the Borough Lounge can adapt to fill those needs because of its compatible sectional geometry. The uses can be as simple as a single seat banquette to a room-filling back-to-back serpentine. Borough's modular system brings elegance, comfort, versatility, and functionality to any office environment.

borough

planning

A variety of configurations can be achieved with Borough, allowing for various configurations. The following typical demonstrate the versatility that can be achieved.

borough

details

The curved modular pieces are designed to form a double serpentine or be placed back to back.

Two 22.5 Outside Curve units pair with one 45 Inside Curve Unit

Two 30 Outside Curve units pair with one 60 Inside Curve Unit

Two 45 units can be ganged to create a curved 90

Two 60 Units can be ganged to create a curved 120

note on finishes

Studio TK does not recommend using patterned or striped textiles on the Borough Lounge. These textiles will become askew during the fabrication process, which causes distortions to the pattern or stripes, deviations to the pattern or stripe across the entire piece of furniture, and pattern or stripe misalignments from sectional to sectional. For these reasons, Studio TK will not accept warranty claims for pattern matching distortions, deviations or misalignments when patterned or striped textiles are applied to the Borough Lounge.

specifying borough finishes

The modularity of Borough permits a wide range of fabric combinations that allows for an expressive use of color, texture and material.

Note:

Studio TK does not recommend using patterned or striped textiles on the Borough Lounge. These textiles will become askew during the fabrication process, which causes distortions to the pattern or stripes, deviations to the pattern or stripe across the entire piece of furniture, and pattern or stripe misalignments from sectional to sectional. For these reasons, Studio TK will not accept warranty claims for pattern matching distortions, deviations or misalignments when patterned or striped textiles are applied to the Borough Lounge.

arm placement

Arm placement is determined by standing in front of a seat. A “Left Facing” arm is to your left when looking at the seat and to your right when sitting in the seat.

COM/COL material requirement

Yardage is based on a non-patterned fabric. Additional yardage may be required for pattern repeats and the matching required. Leather yield may be affected by the quality of the COL. However, variance in the size of the hides will not affect the yield.
