

bevy occasional tables

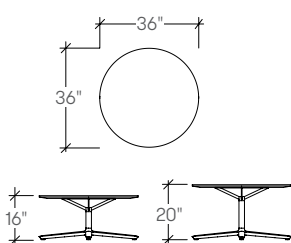

features

Bevy is a dynamic table platform that enables endless configuration. Various heights and sizes give people the ability to work in many ways in a single space. Task tables at lounge height used for personal refuge support work with personal devices. Coffee or occasional tables with sofas encourage positive encounters in the work environment for social interactions.

specification
example

Bevy permits a wide range of combinations that vary dependent of the configuration specified. The following demonstrates the order that must be selected.

When a cut out is specified on Bevy Tables, a cable manager will be included to route power down the table leg.
