

cosmos series

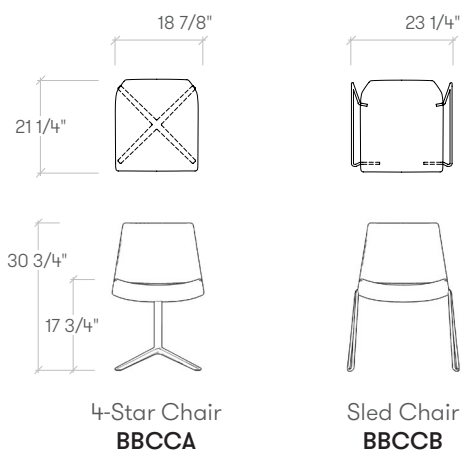

Cosmos is a sleek, contemporary chair with a wide range of applications ranging from lounges to meeting rooms, breakout zones, hotel rooms and dining applications. It is upholstered in leather or in removable fabric covers and is available with a swivel base or stacking sled base. A matching table line is also available, see tables section for more details.

Designer: Jeffrey Bennett

dimensions

- Designed and tested for users up to 110kg/242 lbs
- Meets standard European NEN-16139 requirements

COM/COL material requirement

Yardage is based on a non-patterned fabric. Additional yardage may be required for pattern repeats and the matching required. Leather yield may be affected by the quality of the COL. However, variance in the size of the hides will not affect the yield.
