introduction

# where to find the information you need

**Teknion provides an array of tools and information resources to help you get things done simply and easily. From product pricing to application guidelines to online planning suggestions, you will find what you need when you need it.**

## guide contents

This guide contains all the information you need to order this product through your specification software. The Introduction section provides everything you need to get started, including an index for product reference. The Application Guide section contains detailed specification guidelines, application and planning information to help you plan your project correctly. The Price Guide sections provide detailed pricing and specification information by product type. Available online at [www.teknion.com](http://www.teknion.com).

---

## where to find the information you need

All Teknion marketing materials are available online at [www.teknion.com](http://www.teknion.com), including:

price & product guide

application guide

planning tool

installation guides

fabrics & finishes

product photography & drawings

weights & volumes

order forms

warranty/terms & conditions of sale

xpress program guide

---

## teknion forms

The following forms are available online at [www.teknion.com](http://www.teknion.com), to help you specify and place your order if required:

### teknipaint

If you require a custom paint color match, you must submit a TekniPaint form.

### using your own material (COM)

If you wish to use your own material on fabric-covered products, you must submit a completed COM form including a sample upholstery and safety testing. A COM Order Information Sheet must also be submitted. This form captures all relevant ordering and tracking information. A COM Request for Yardage Calculation form may be sent to Teknion for preliminary yardage requirements.

### placing a manual order

Complete an Order Cover Sheet with the information we need to fill your order. This is the most important step. If the Order Cover Sheet is not complete and correct, the order may be delayed.

---

## key requirements

If you require that certain pieces share the same locks you will need to specify Set of Keys Alike (SOKL) located in the Price and Product Guide.

---

## user feedback

How is our marketing material working for you?

Feedback from the user is very important to the quality of Teknion's marketing material. We ask that if you have suggestions on how you think we could improve content OR if you have found an error, that you contact your Teknion Technical Services department.

Metal Locker with Digital Lock

Front opening personal lockers provides storage for personal items in two, three and four door configurations.

**WHAT'S INCLUDED**  
1 unit of locker with digital locks and leveler.

**NOTES**  
The door is defaulted opening towards the left (hinge on the left).  
Manager key is the master key. Programmable key is required to program the lock for the first time and troubleshooting. Both need to be ordered separately.  
2 Doors and 3 Doors comes with one adjustable shelf.  
Handedness refers to door swing direction and is determined by the location of the hinges on the door.  
All lockers need to be ganged together for safety reason.  
Counter weight (WKLWCW) is essential if you are only buying 1 locker.
